TUNBRIDGE WELLS BASED MF COMMUNICATIONS ON KMFM

by Kent Business Blog on Aug 5th, 2013 · No Comments

Listen out for MF Communications' new advert on KmfM.

MF Communications has been working with KmfM to produce a new advert to let the people of Kent know about its products and services.

Managing Partner Fraser Young says: 'we are a full service telecoms company that can supply businesses with all their communications needs. What better way to communicate this than on the radio.'

For more information on telephone systems, phones, maintenance, broadband or low cost call options MF Communications can arrange for a representative to come to your office, or you can visit them for a full system demonstration and overview.

Contact MF Communications on 0844 8871 007

Website: www.mfcomm.co.uk

Or find them on Twitter (@MFComms) or on Facebook
