

MF Communications

MF Communications is a full service telecoms company based in High Brooms, near Tunbridge Wells.

We have been in business for over 12 years and during that time have built up a dedicated team of advisors and engineers and have expanded our business to meet the demands of our clients, in line with the rapid changes and growth within the telecoms industry as a whole.

What we offer:

Our aim: to provide a range of solutions for all your business communications needs. Saving you money without compromising on the level of service and quality:

- We supply telephones lines and telephone systems to businesses, within Kent, Sussex and the London area
- We install complete VOIP solutions, remove old systems, help with office moves, software updates and programming and we have a dedicated phone line for advice and assistance
- We provide a maintenance service for your telephone systems, either as a one-off or as on-going support
- We offer low cost calls, broadband and data services as well as inbound telephony solutions to help you run your business more efficiently
- Dedicated account manager

MF Communications is ISO Accredited for its environmental management system. Our recycle and re-use policy is in line with the Waste Electrical & Electronic Equipment Directive (WEEE). If you have telecoms equipment that you need to dispose of and are unsure how to go about it, we would be happy to advise.
